TESTIMONIALS FROM PREVIOUS TOURS

Thank you for setting up and coordinating the USJDP trip to Finland. It was a great experience for the boys. My son had a really positive experience playing, spending down time with his teammates, and experiencing a different culture. Zac was an exceptional leader for these young men. He treated all players equally, had clear expectations and was always positive on the bench. Todd provided great energy and the boys really fed off that. He encouraged hard work in pursuing their hockey goals and dreams. Thank you again for a great trip.

Treve Henwood - Denver, CO

I just wanted to thank you for the opportunity to be part of the USJDP team. Both Todd and Zac and Todd are great coaches and their coaching was very helpful to my son! We really enjoyed going to Finland and experiencing the culture. Once again thank you for this amazing opportunity!
