**Camp Format:**

All RMHS Selects Camp participants are evaluated during the Sunday night evaluation skate and placed into groups based on their age and ability to ensure proper competition and development levels within the groups. Each group will comprise two teams, and preliminary groupings will be posted on Sunday after the second evaluation skate. We will also email everyone with the tentative rosters so the players are ready for their schedule on Monday morning before the day's first on-ice session. These teams will practice with each other during every activity throughout the week and compete against each other during the three weekly Showcase Games.

***PLEASE NOTE:*** *These groups ARE NOT FINAL, and all players are subject to movement within the groups based on their on-ice performance at ANY TIME throughout the week. In fact, many players get moved from group to group as the Sunday afternoon evaluations are based on a 60-minute performance and are, therefore, very preliminary. However, this is a necessary precaution to ensure the physical safety of each player in camp.*

***PLEASE NOTE:*** *BODY CONTACT WILL BE ALLOWED AT THE EVALUATION SKATE IN BOTH GROUPS. THE KEYWORD IS BODY CONTACT. THE STAFF WILL WORK ON PROPER BODY CONTACTING AND CHECKING IN BOTH GROUPS TO MAKE SURE THE PLAYERS ARE USING THIS PART OF THE GAME THE RIGHT WAY.*

**Daily Camp Schedules:**

The daily camp schedule, along with any other relevant forms and info docs, will be posted "RMHS Selects" page on our website, which can be found [HERE](#).

**Health Form:**

All health forms are now completed on our Active Registration system. If you have any updates with allergies or emergency contact information, please update your account [HERE](#)

**Expected Code Of Conduct:**

This week is designed to be high-intensity to train players to compete at the AA and AAA levels. RMHS coaches are here to develop and train the players, not babysit them. It is expected and understood that the players registered for this program are serious about their hockey and doing whatever it takes to advance their careers.

*If, for any reason, we feel a player is a detriment to themselves, other campers, or the integrity of the camp in any way, the camper may be expelled from the camp and will not receive a refund/*

## **Resident Camper Information**

### **Airport Pick-Up & Drop-Off:**

There is a \$45 one-way, or \$75 round-trip, airport shuttle fee for each player needing to arrange transportation through the RMHS to or from the airport. All transportation requests must be in RMHS offices 2 weeks before arrival.

To arrange an airport pick-up and/or drop-off, please send complete flight information, including airline, arrival time, flight numbers, departure city of the final leg of the flight, and your sons' cell phone number to [RMHS Director Bryan Smith](#). As non-travelers are not allowed out to the gates to greet new arrivals, players must proceed to the main terminal, where an RMHS staff member in an RMHS shirt will meet them at their assigned baggage claim. RMHS Staff will then escort players to the awaiting shuttle.

Payment for this service must be made before arrival at camp. Please send a check made out to Bryan Smith for this service to our offices at the address listed above.

A note to our International Campers: Please send a cashier's check or money order in US Dollars for these costs.

### **Arrival Times**

On the day of your arrival, please arrive at Denver International Airport (DIA) **by 11:00 am on June 25th**. This is important as it allows us sufficient time to get the players to Steamboat Springs, check into their rooms, and get ready for their evaluation skate.

Also, please note that the Player Shuttle Van departs DIA at 12:00 pm as discussed above, so arranging flights as close as possible to avoid unnecessary waits at DIA is advised.

### **Departure Times**

Departure times on July 2nd, your final day of camp, should be **AFTER 5:00 pm**. This will allow each player to participate in the morning game, shower, get checked out of their dorm rooms, and go to the airport by 2 pm, allowing for an hour of check-in time at DIA.

**What to bring:**

Each dorm room has a twin XL bed, desk, chair, microwave, mini-fridge, and bookshelf. The athletes are responsible for bringing their own bedding. We recommend a sheet, sleeping bag, and pillow.

You will also need personal items such as toiletries, sunglasses, sunscreen, shorts, athletic shoes, many t-shirts and socks, and all hockey gear, including tape, extra socks, sticks, and other hockey equipment. The rink will have skate sharpening available daily. The weather this time of year ranges anywhere from 95 degrees during the day to 60 degrees at night.

Stock up on healthy snacks and drinks! RMHS highly recommends entirely using the mini-fridge and microwave in each room. Plan out your week and stay hydrated and adequately fueled.

**Valuables:**

It is not recommended that players bring anything of significant value with them to camp, i.e. laptops, video games, iPods, cameras, etc. First, there is no downtime for them to be used. Second, all meals are covered daily, and they only need a little cash. And third, there are no safes in the rooms. Each player is issued a room key to keep their room locked at all times, but accidents happen. RMHS is not responsible for any lost valuables.

**Spending Money:**

As outlined above, all meals are covered throughout the week, but it is recommended to send them with a bit of cash for drinks, snacks, laundry, and pizzas, a player favorite! Hill Hall has vending machines for quick snacks, water, and other items.

**Skate Sharpening:**

Sharpening will cost \$11.00. Make sure you come to camp with your skates ready to go! The rink staff at Howelsen Ice Arena will have sharpening available daily.

**Laundry:**

Coin-operated laundry facilities are available in Hill Hall. Washers are \$1.25 a load, and the dryers are \$1.00 per load and take only quarters. All campers must bring their own detergent and dryer sheets if planning to do laundry.

**Resident Camper Policies & Rules:**

1. No alcohol, smoking, or female visitors are allowed anytime.
2. Food, soda, and snacks are allowed in the dorms, as all dorm rooms have a mini-fridge.
3. Any damage to rooms will be the responsibility of the assigned campers.
4. Players may leave the rink and return to the dorms only with approval from RMHS Staff.
5. Players will rise at the morning wake-up time and head for breakfast. Players cannot sleep in and miss any meals and/or camp sessions.
6. Players will be on time for all camp activities.

*Violating these rules will result in immediate expulsion from camp, and the camper's responsibility will be all relevant transportation home. No refunds will be given.*

**Meals:**

Three meals per day will be provided on campus at the university cafeterias. All players and coaches will eat together in Hill Hall for Breakfast and Dinner. Lunch will be served at the Howelsen Ice Arena.
